MISSION AND QUALITY POLICY

Global Network Group organizes, develops, maintains, manages, and facilitates global procedures and systems for education, training, continuing professional development (CPD), online theory exams, on-the-spot practice exams, and both private and public registration and certification of individual professionals, companies, organizations, products, and services.

Global Network Group offers its (potential) clients, professional bodies, practitioners, registered or certified professionals unique and protected private titles and labels.

Global Network Group focuses on (professional) groups where no recognized standard such as an ISO standard is available.

Global Network Group offers these (professional) groups exclusive registration and certification solutions to these professionals and their companies so that they can distinguish themselves positively and effectively from non-registered and non-certified individuals, companies and competitors. This is to ensure that our clients and certificate holders gain improved competitiveness and increased market coverage.

In consultation with the practitioners and certificate holders, Global Network Group sets a world standard for these groups.

Global Network Group is a dynamic and future-oriented organization and ensures a continuous commitment to quality and diversity. Global Network Group will not discriminate on the basis of belief, ethnicity, gender, politics, race, religion, sex, sexual orientation, wealth, and acts neutral and impartial.

Global Network Group is ISO 9001 certified by Lloyds Register, CRKBO recognized by C pion, accredited as WKKGZ complaint handling organization by the Dutch Minister of Health, Welfare, and Sport, and is supervised by International Certification Council (ICC Council).

All processes and procedures within Global Network Group are handled & executed following our ISO 9001:2015 certified management system. Global Network Group's principles of publicity and equality apply and are monitored by ICC Council.
